OUR HORSES

PONCHO

aka the trail master! Poncho is warmblood/paint gelding from California. Poncho is often used as our guide horse due to his great ability and love for leading the other horses. Poncho has a special bond with the horses earning him the respect as the ringleader.

CODY

aka The x-race horse! Cody is a Thoroughbred gelding from Kentucky. He had a short but successful career on the track with impressive earnings. Cody has fallen into his new career with ease and considered one of the most kind souled horses.

TROOPER

aka Mr.Personality! Trooper is a American Quarter Horse gelding from a dude ranch in Nevada. He is the Houdini of the pack as he often learns how to open anything he can reach! Trooper loves interacting with the other horses and being playful.

GHOST

aka The unicorn! Ghost is a Paso Fino gelding. His unique and rare color gives him the status as our “Unicorn” of the pack. His Cremello coat makes Ghost stand out from the rest. Ghost is also truly a Unicorn not just for his looks, but for his heart. There’s nothing this horse can’t do!

PENNY

aka The Boss Lady! Penny is our pony of the pack and the only mare! She is as tough as they come and lives up to her little but mighty personality keeping order among the other horses. Penny is extremely intelligent and the rock of the pack.

SHOWMAN

aka Showmaster! Showman is a Swedish Warmblood gelding from Europe. Showman previously was a successful show jumper having had taught numerous riders and moving them up the ranks. Showman has been a horse of a lifetime to many and even though that career is behind him, he remains the horse that’s “worth their weight in gold” in our eyes.
