OUR HORSES

JADE
a 20 year old Quarter Horse/Dutch Warmblood mare that came to us from a local riding school where she used to teach a variety of children the basics. Due to her kind disposition and mellow nature, Jade is often the horse that young riders flock to for arena lessons. She has previous Hunter/Jumper show experience, but is looking forward to her "semi-retirement" at the Grand.

NELSON
on loan to us from a loving family that used him for trail rides out in Campo. He is also a gentle giant and can often be seen trying to share his hay with guests passing by. Nelson loves to spend his days eating, and in turn out with his best buddies, Hummel and Leroy.

CONNERY
a 20-year-old Paint horse with a unique champagne palomino coloring and two blue eyes. Connery spent many years as a rodeo horse for a Hispanic family in Texas as well as riding in parades and carrying flags. He came to us as a rescue from an auction in Texas and most recently resided in Pine Valley.

DAHLIA - Arriving December 1
an 8-year-old Bureau of Land Management Mustang. She was a part of a wild mustang round up when she was just 3 years old and carries the freeze brand on her neck associated with these wild Mustangs. She is incredibly smart, and one of the mares in our group.

HUMMEL
our gentle giant. He is a 13 year old Belgian Draft Horse. Hummel rides and drives (pulls carts, etc.), and was bred and trained by the Amish to be "bombproof" in all aspects of farm work and street riding. He came to us from Amish Ohio, and can carry larger riders, as well as pose for photo ops with multiple kids, or a parent and child on his back at the same time.

LEROY
is a 17-year-old Appendix Quarter Horse (Thoroughbred / Quarter Horse cross). He was raced lightly in his younger years before being used as the "pony", or lead horse for young racehorses, as well as extensive trail riding in the mountains just north of San Diego County.

STANLEY
our resident pony and is reserved exclusively for the use of our youngest guests. Stanley has previous show experience but is ready for a lighter workload and lots of love.
